HOMELESSNESS WEEK

No Fixed Address was an exhibition featuring poems and art contributed by community members who have experienced homelessness. The project was about opening our eyes and ears to celebrate those of us who often go unseen and unacknowledged. The exhibition was displayed in shop windows along Carlisle and Fitzroy Streets and the public were invited to tours conducted by consumer representatives from the Inner South Rooming House Network who helped create the project in partnership with Port Phillip Community Group.

BUILDING STRONG CONNECTIONS

FIVE MINUTES OF FAME

Five Minutes of Fame is a quarterly open mic extravaganza, providing an opportunity for Port Phillip's fringe-dwelling performers to stand centre stage. It also provides a socially stimulating night of entertainment for those who may not otherwise have access to live performance events. People from all backgrounds and abilities are encouraged to get up on stage and perform, dance and cheer. Many of the attendees live in supported accommodation and are transported to the venue and fed by generous Rotary volunteers.

"Nobody cares if you sing out of tune as long as you give it a go. You get good food and entertainment. What more could one ask for."

CREATING

A SOCIALLY JUST COMMUNITY

EMERGENCY RELIEF AND MATERIAL AID

PPCG's *Emergency Relief* in Port Melbourne, South Melbourne and St Kilda provided essential services which contributed to improved outcomes for vulnerable people, children, families and community members by helping address their immediate and long term needs in times of crisis.

PPCG seeks to improve financial resilience and referral pathways by identifying effective methods of recognising families at risk of homelessness and providing early intervention strategies and implementing positive solutions. People's needs vary greatly in terms of the reasons why they require emergency relief and in terms of the level and type of support they might need to overcome barriers to stabilise their situation.

886 PHONE CARDS FOR PEOPLE IN NEED

379 TRANSPORT CARDS FOR PEOPLE IN NEED

2311 FOOD PROVISIONS

3319 VOUCHERS GIVEN TO PEOPLE IN NEED

RECREATION ACCESS GROUPS

The *Recreation Access Groups (RAG)* program is funded by the City of Port Phillip to provide low cost access to mainstream recreational activities and enhanced social connection for people of all abilities. About 286 people accessed *RAG* with about 38% being new participants. *RAG* includes gym, swimming, bush walks, tennis and *Five Minutes of Fame*. People particularly enjoy the social and health aspects of the program and join more than one activity.

"There is nothing more beautiful than someone who goes out of their way to make life beautiful for others."

ALMA ROAD COMMUNITY HOUSE (ARCH)

Alma Road Community House (ARCH) hosts a range of educational and recreational activities such as computer classes, drop in art, playgroups and walking groups. The space is hired for activities such as yoga, chess and private parties. The Te-Arai Community Garden is a much loved space at the rear of ARCH and more gardeners are always welcome.

SUPPORTING THE NEEDS OF PEOPLE

WE SUPPORT...

Port Phillip Community Group (PPCG) supports over 14,000 people from the community through social action, advocacy and innovation to bring about a more inclusive and equitable society.

FINANCIAL COUNSELLING

Financial Counselling is accessed by low income local community members. The goal is to empower community members to take control of their finances via information, education, support and advocacy. Many people report difficulties with inadequate income, credit card debt, loan arrears, chronic illness and increased costs of living. During the year we responded to 193 inquiries.

LEARNING NEW SKILLS

PAGE 07

OUR VOICES

Our Voices is a project that offers people a chance to build their skills and self-confidence through learning and employment opportunities. People who have struggled with issues such as homelessness, drug use or isolation are in a unique position to use their knowledge and personal experiences to educate the community.

"Our Voices has made me feel a lot more secure and confident. I feel very valued and respected." - PROGRAM PARTICIPANT

This may be through advocacy, contributing to policy or challenging people's perceptions. Courses offered include the *Community Leadership* program where people learn public speaking, *Community Research* and *Inspired Life* where Internet skills are taught to help people connect up with and explore their community.

"This painting shows fortunate and unfortunate people under a shelter and people out in the cold and the rain and hail."

> Artwork 'Shelter for all' by Leslie Stanley, a Waka Waka man from Central Southeast Queensland. He has lived in St Kilda for over 10 years. For half of that time he was homeless.

COMMUNITY EDUCATION

Community Education has entered an exciting phase with the expansion and broadening of its program for marginalised and disadvantaged learners. Through diverse courses and dynamic partnerships with other not-for-profits including Access Inc., Wild@heART, Alpha Autism and Galiamble Men's Recovery Centre it's designed to engage participants and encourage further learning experiences.
